Voice: (775) 289-2085 • Web: www.nnry.com • E-mail: info@nnry.com

Safety Rules – Please Read

Welcome to the Nevada Northern Railway National Historic Landmark. The motto of the Nevada Northern is **“Safety First”**. Please review and adhere to the following safety rules.

- You are at 6,500, in a desert. The combination of the high altitude, bright sun, heat and low humidity can be a deadly combination. Stay hydrated! Drink plenty of water!
- Don't over exert yourself. Take plenty of rest breaks, pace yourself.
- Use plenty of sunscreen. You can get a serious sunburn in less than 30 minutes, even in the winter.
- If you don't understand what is happening, ask for clarification.
- Always stay at least **25 feet** from any piece of rail equipment when you cross the track. You never know when a piece of equipment may move.
- Never cross the track between equipment (locomotives, rail cars) unless there is **50 feet** separation between the equipment.
- As you cross a track - look **both** ways.
- Do not step on the railhead, **always** step over the rail.
- Never climb on a piece of equipment until you receive permission from a crew member.
- Watch where you position yourself in the photo line; be aware of your surroundings and fellow participants at all times, be courteous. No talking when video is being shot.
- Restroom facilities may only be available at the depot, plan accordingly.
- Please wear your badges. They serve as your ticket to participate in this event.
- Watch where you go! There are tripping hazards, loose rocks and open pits, **pay attention!**
- Drones and selfie sticks are **prohibited**.

**Most of all have fun! Enjoy riding our wonderful railroad.
If you have a question, ASK!**
