

# Nevada Northern Railway Museum Bring'em Home Form

It will cost about \$250/mile or \$252,000 to bring 201 and 401 home. Once home, we will return both locomotives to service, freshly painted, in their original paint scheme. That is estimated to cost \$100,000. Our challenge, raise \$352,000 by October 31, 2022!

**Remember, there are 100 chances to WIN a Be The Engineer!**
